We hope you can join us!

We would like to thank the Alberta Association of Architects for inviting us to be a part of their long standing wonderful bi-annual event.

Did you know that Alberta's castle in the Rockies, The Fairmont Banff Springs Hotel has a secret lounge hidden behind their acclaimed Rundle Bar bookcases — "the Sidecar Lounge"

Designed by Alberta's own, FRANK Architecture and Interiors.

An entirely separate room where guests can enjoy a cocktail - or hold a 'secret' meeting.

So how befitting that we will be hosting our AIA Gathering in this must-see venue during the AAA Banff Session!

PLEASE DO JOIN US!
